

CHAINS OF TYRANNY

ANDREW CADIE

OH FREE YOUR SELF MY FAIR FAIR FRIENDS FREE YOUR SELVES

OF TYRANNY FOR EVERY PENNY THAT YOU

SPEND ADDS TO THEIR CHAINS OF TYRANNY

2. Don't hear their words my fair fair friends
 Take their lies and set them free
 For every truth that they pretend
 Adds to their chains of tyranny

3. Don't trust their smiles my fair fair friend
 They'll let you taste prosperity
 But they'll betray you in the end
 And forge their chains of tyranny

4. They are so weak, o father dear
 They won't resist our enemy
 Instead they lie and build our fear
 And tug the chains of tyranny

5. Who stands behind them my fairest one?
 Who pulls their strings so secretly?
 Who makes them lie and lead us on?
 Who forged our chains of tyranny?

6. Why do you help them my fair fair friend?
 Help them to steal triumphantly
 We built so much we should defend
 Against their chains of tyranny

7. Don't be their slaves my fair fair friend
 Take back the whip they used so cruelly
 And make them scream and make amends
 And break their chains of tyranny
